this book describes and analyzes the levels of experience that long distance running produces it looks at the kinds of experiences caused by long distance running the dimensions contained in these experiences and their effects on the subjective life world and well being of an individual taking a philosophical approach the analysis presented in this book is founded on maurice merleau ponty s phenomenology of the body and martin heidegger s fundamental ontology running is a versatile form of physical exercise which does not reveal all of its dimensions at once these dimensions escape the eye and are not revealed to the runner conceptually but rather as sensations and emotions instead of concentrating on conceptual analysis this book explores the emotions and experiences and examines the meaning that running has in runners lives using the participative method in which the author is both the research subject and the researcher the

book contributes to the philosophy of physical exercise

one of the key achievements of critical realism has been to expose the modernist myth of universal reason which holds that authentic knowledge claims must be objectively pure uncontaminated by the subjectivity of local place specific time and particular culture wright aims to address the lack of any substantial and sustained engagement between critical realism and theological critical realism with particular regard to a the distinctive ontological claims of christianity b their epistemic warrant and intellectual legitimacy and c scrutiny of the primary source of the ontological claims of christianity namely the historical figure of jesus of nazareth as such it functions as a prolegomena to a much needed wider debate guided by the underlabouring services of critical realism between christianity and various other religious and secular worldviews this important new text will help stimulate a debate that has yet to get out of first gear this book will appeal to academics graduate and post graduate students especially but also christian clergy ministers and informed laity and members of the general public concerned with the nature of religion and its place in contemporary society

the enneagram has become popular among evangelical christians as a spiritualized personality typology that claims to help people better understand themselves and others several influential evangelical christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several christian universities but uncertainty exists about the appropriateness of referring to the enneagram as a christian tool are pastors and christian institutional leaders aware of the theology associated with the enneagram enneagram theology is it christian provides a biblical critique of the enneagram s underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church

this collection of letters by frithjof schuon the foremost spokesman of the perennial philosophy contains nearly 200 newly translated letters from schuon s youth to old age as written to friends spiritual seekers scholars and others among the letters are those that address in a simpler and more accessible manner the same metaphysical subjects that continually recur in schuon s published works other letters relate to the spiritual life in its simple and concrete aspects by answering such fundamental questions as why is there evil in the world how can i recognize if i am on a wrong path and what should i do to be saved finally there are letters that relate to various aspects of schuon s life most of which were written to his closest friends while not a comprehensive autobiography these letters offer an intimate view of certain key moments in his life taken as a whole the present collection of letters offers insights into the content of frithjof schuon s message his exposition of the perennial philosophy as well as a glimpse into his life as messenger of that philosophy

like their predecessors throughout the late nineteenth and twentieth centuries popes john paul ii and benedict xvi have emphasized the importance of philosophy in the catholic intellectual tradition in his encyclical *fides et ratio* 1998 john paul ii called on philosophers to have the courage to recover in the flow of an enduringly valid philosophical tradition the range of authentic wisdom and truth where the late pope spoke of an enduringly valid tradition jacques maritain and other thomists often have referred to the perennial tradition or to perennial philosophy words of wisdom responds to john paul s call for the development of this tradition with a much needed dictionary of terms as a resource for students in colleges universities and

seminaries as well as for teachers of the perennial tradition and interested general readers words of wisdom occupies a unique place it offers precise yet clear and understandable accounts of well over a thousand key philosophical terms richly cross referenced it also explains significant terms from other philosophical movements with which thomism and the catholic intellectual tradition more generally has engaged either through debate or through judicious and creative incorporation moreover it identifies a number of theological and doctrinal expressions to which perennial philosophy has contributed finally it provides a comprehensive bibliography of works by aquinas in english expositions and discussions of perennial themes and representative examples from the writings of all philosophers and theologians mentioned in dictionary entries

originally published in 1958 and authored by one of the foremost liberal catholic theologians of the 20th century this book recognizes the need for a greater unity of understanding among all faiths and explores these common grounds with insight and sympathy bringing to catholics and non catholics alike a full measure of the author s inspiration and judgement

traditional islamic ethics the concept of virtue and its implications for human rights concentrates on the subject of islam and modernity and islam and human rights a topic that has become popular and relevant with the rise of globalization and the interest in islamic extremism and human rights this book distinguishes itself by operating within the framework of the traditional school of thought or islamic traditionalism in doing so it draws on islam s 1400 year old spiritual and intellectual tradition and its understanding of ethics and virtue along with truth justice freedom and equality this book argues that islam s pre modern approach is indispensable in creating an organic and integral human rights model for muslims the first section argues that the current understanding and implementation of international human rights needs to be more flexible and inclusive if it truly aims to be universal in scope this is because the universal declaration and its offshoots are still underpinned by secular liberal principles and therefore are at odds with other cultural traditions to this end this section critically explores popular human rights histories and contemporary ethical theories that attempt to justify human rights the second section of this book provides a general overview on the subject of islam and human rights after explaining some of the main problems this section examines various solutions offered by muslim academics and scholars focusing on four different types of muslim responses to modernity and human rights liberal progressive traditional and fundamentalist it concludes that there are spaces of convergence between modern liberal ethics and traditional islamic virtue ethics while maintaining that there are also fundamental differences and that these differences should be welcomed by human rights theorists and advocates the book s intended audience is primarily post graduate students and professional academics in the fields of human rights ethical philosophy and islamic studies modern islamic thought sufism islamic theology islamic philosophy and traditionalism it will also appeal to anyone interested in the subject of islam and modernity in general and islam and human rights in particular
